**Stability** results were moderately low which suggests you are worrying, insecure, emotional, and anxious.

**Orderliness** results were medium which suggests you are moderately organized, hard working, and reliable while still remaining flexible, efficient, and fun.

**Extraversion** results were moderately high which suggests you are, at times, overly talkative, outgoing, sociable and interacting at the expense of developing your own individual interests and internally based identity.

trait snapshot:

expressive, open, self revealing, loves large parties, loud, social, outgoing, does not like social isolation, assertive, social chameleon, positive, always busy, likes to fit in, likes to stand out, enjoys leadership, brutally honest, trusting, optimistic, desires attention, dominant, aggressive, attachment prone, wants to be understood, realistic

To place your results on your own site use the following code:

```
<div align="center"> <table style="color: black; background: #eeeeee" border="0" cellpadding="0" cellspacing="2" bgcolor="#eeeeee"> <tr> <td bgcolor="#eeeeee"> <div align="center">Advanced
```

**Keep in mind**, your results are dependent on the accurate truth of your responses. The more you take this test and get the same result, the more likely that is your type. Finally, your scores and

type, over the long term, will change as you do.
